

OUR CURRENT OPERATIONS IN TANZANIA

Currently we have two school projects in two locations in Tanzania

- **Mairowa Village in Longido District – Arusha Region**

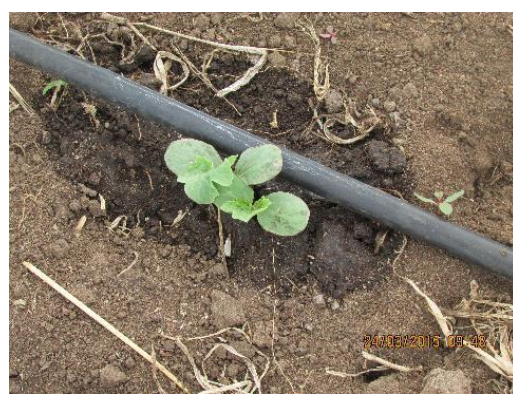

• **Kondoa Urban Area in Kondoa District - Dodoma Region**

Besides the schools, we have drill boreholes(wells) at both locations, we have introduced modern drip irrigation - gardens that grows varieties of vegetables, bee farming and Mlonge trees planting.

Water Projects at both Mairowa and Kondoa Integrity Schools

Mlonge Trees
